## Mini Olympics- World Elite Cup!

**Mini Olympics- World Elite Cup** is an amazing just-for-fun opportunity that allows athletes in our recreational classes to perform and see what it's like being in a competition environment. Students will be able to showcase their skills in front of family and friends and in front of coaches and staff who will evaluate their performances. Students will be given routines to perform on certain events (that corresponds with their class) using the skills they have learned in their classes.
